PROJECT VEER GATHA: INSPIRING TALES OF VALOUR OF SELFLESS SACRIFICE AND COURAGE

Our soldiers, seamen and airmen valiantly guard our borders every day to uphold the sovereignty and territorial integrity of the nation and ensure we breathe the air of freedom. They willingly make the ultimate sacrifice when called upon to do so in order to uphold our values and protect our citizens. To honour their steadfast dedication and acknowledge their brave acts, Gallantry Awards were instituted. The Gallantry awards are symbolic of a soldier's selfless sacrifice and heroic valour in the battlefield.

After independence, three awards - Param Vir Chakra, Maha Vir Chakra and Vir Chakra, were instituted by Government of India on 26 January 1950. Later, on 04 January 1952 three other Gallantry Awards were instituted namely- Ashoka Chakra Class- I, Ashoka Chakra Class-II and Ashoka Chakra Class-III later renamed as Ashoka Chakra, Kirti Chakra and Shourya Chakra respectively. These awards are divided as War Time and Peace Time Awards respectively.

An online portal dedicated to the gallantry award winners, bestowed since Independence, was launched by the Hon'ble Prime Minister Shri Narendra Modi in 2017. The online portal, <http://gallantryawards.gov.in>, has a comprehensive database comprising of text, photos, videos, recordings of both written and oral records of all the awardees since 1947 that is regularly updated.

Since its launch in 2017, the portal has undergone several transformational changes. The Hon'ble Prime Minister had articulated the vision of the government as nation-building, where every individual is involved. As a diverse country with multi-ethnicities and cultures, the essence of plurality in India is bound with the thread of nationalism. To ignite a spirit of patriotic fervour among the citizens of the country, the Ministry of Defence conceptualised and developed the Gallantry Awards Portal Project (GAP). The vision statement identified in initiating the GAP project is -

“To transform India into a strong nation by enhancing patriotic and civic consciousness of our citizens, using digital technology.”

The project aims in enhancing the cause of nation-building by honouring the valiant soldiers of our Armed Forces and civilians by bringing the stories of their heroic deeds and sacrifices to the nation through digital technology. The research and content development domain of the portal is currently managed by United Services Institution of India; a national security and defence services think tank located in New Delhi.

The portal currently has accounts of more than 4000 awardees, of which there are 21 Param Vir Chakra's, 212 Maha Vir Chakra's, 1327 Vir Chakra's, 97 Ashoka Chakra's, 486 Kirti Chakra's and 2122 Shaurya Chakra awardees. To engage with the citizens and help imbibe the spirit of civic consciousness, the portal has conducted various events and competitions like

quizzes, selfie competitions, video, caption and photo of the week contest. Another weekly event of the portal is National Cadet Corps (NCC) Statue Cleaning Drive. The NCC has undertaken the task of statue cleaning of gallantry awardees all across the country, the videos and photos of these activities are shared on the portal.

To ensure that citizens enjoy a user-friendly experience and engage in the portal various unique features have been introduced. Gallantrypedia is a feature in the portal, wherein the citizens can share stories/images/videos of any awardee, available with them. Other features like E-books and E-Magazines featuring the histories and biographies of the awardees are also available. A visitor to the site is also provided the opportunity to pay a tribute and take a pledge. Another unique feature of the portal is the Virtual Museum which enhances the aesthetics of the portal. It gives the users a life like experience by navigating them through the galleries, which is informative and also serves as a visual treat. To keep the citizens abreast of the activities and enrich their knowledge about the gallant heroes, updates are also shared through the official social media handles.

To honour the acts of bravery and sacrifice of the officers / personnel of the Armed Forces, other lawfully constituted forces and civilians, gallantry awards are announced twice in a year – first on the occasion of the Republic Day and then on the Occasion of the Independence Day. In order to disseminate the details of bravery acts and the life stories of these brave-hearts among the students, it has been proposed by the Ministry of Defence that school students may be motivated to do projects/activities based on our gallantry award winners. Accordingly, the Project Veer Gatha 1.0 was organized from 21st October to 20th November 2021. During the felicitation event on 12 August 2022, Hon'ble Raksha Mantri Rajnath Singh remarked;

"All entries were different in terms of language, creed, and custom. But there was one thing that everyone had in common, they had their own beloved country - India. They were all bound by one thread, and that thread was patriotism."
