Veergatha 2.0

Category: Class 8 category

Top 25 winner

To be part of Veergatha was an experience in my life. My confidence level has improved a lot than before. I got many friends from different parts of the country and I am trying to keep in touch with them. I became the role model for students in my school, family and friend's circle. They all gave me a space in their heart as a national award winner. The teachers take my achievement as an example in every circumstance to encourage other students. My teachers are treating me as an inspirational girl in the school. I got featured in news channels for my achievements and was congratulated by many great people. People started recognising me.

Veergatha 2.0,

Category: Class 6-8

top 25 winner

It is a matter of great pride for me that in Veergatha Project 2 organized by the Ministry of Defence and CBSE, only after you have been selected as the winner in the top 25, I have come to know that there is no defeat for those who try hard. This is the key and keeping this as my goal, I recently participated in the national level online quiz competition, for which I have also received certificates, which I would like to share with you too. I will try my best to win the award. It is my dream that I can receive the honour from the President once. For which I am making continuous efforts. I have been able to become a winner and have also been honored by them. I am also very interested in drawing and painting and want to prepare for the next competition. If I get a chance again in future, I will participate in Veergatha Project 3 once Then I would like to be honoured by Defence Minister and Education Minister.

## **Success Story 5:**

**Name: Drashti Kariyani**

Veergatha 2.0,

Category Class 9-10

Top 25 winner

Veergatha project is the source of inspiration for me as I could achieve the milestone of success of my life. I had participated in veergatha project for the first time, but I am so much interested in the defence and want to know more and more about the life of soldiers. After winning in veergatha, I got the golden opportunity to meet the honourable defence minister Mr. Rajnath Singh and other dignitaries, this inspired me a lot to know more about the legends of our country who had sacrificed their lives for the country. In future also i want to serve myself in the Indian Army.

Veergatha 2.0

Category: Class 3-5

Top 25 winner

Project Veergatha 2.0 inspired me a lot to do great things in my future. After winning the Veergatha2.0 award, everyone in my school praised me, and all the teachers also praised me a lot. When i participated in Veergatha Project my confidence increased even more, due to this i also felt that in future i can do something bigger for my country. My Parents, my Teachers and my Principal are So proud of me. Veergatha inspired me to participate in more activities and I also have a sad part in my journey that our Punjab government doesn't felicitated me in my achievements and doesn't encourage me for my future but I want to thanks the Ministry of Defence and Ministry of Education for creating project like Veergatha 2.0 to increase the confidence of our countries young generation.

## **Success Story 9:**

**Name: Aryan Gupta**

Veergatha 2.0

Category: Class 9-10

Top 25 winner

Participating in Veergatha 2.0 has tremendously changed me and my ideology toward the defence forces. It gave me a platform to express my editing skills, which is also my favourite hobby, and research the glorious stories of our nation's true heroes. Veergatha 2.0 gave me an opportunity to represent my school on a national level. Being part of the top 25 has inspired me to embrace my skills and make better videos. I would like to wholeheartedly thank the Ministry of Defence and the Ministry of Education. I am looking forward to participating in more versions of Veergatha.
